## Testimonials to Exceptional service

- Martha Peña has been my cleaning fairy for approximately 5 years. It is such a blessing to go to work in the morning and when I open the door of my home at night I am greeted by the *smell of clean!* I know she has been there by the fresh smells and sparkling bathrooms etc. Often I have to be budget minded but Martha is a necessity in bringing sanity into this working person's life. Sincerely, *M. West*
- Dust Hunter has demonstrated a level of responsibility and dependability that I have never before experienced. In fact, their standards for excellence in service exceed mine. *Jane Laciste, homeowner*
